

**South Euclid Planning Commission
Oakwood Agenda**

Background

When rezoning from Residential to Commercial what concerns will require that mitigations / measures need to take place in order to ensure that the adjoining Residential Districts and Community objectives are maintained?

- Are the mitigations / measures possible / reasonable / effective?
- Is the requested designated zoning (C-3) appropriate?
- This process will create a single lot within two different zoning districts.

February 10, 2011 – Planning Commission Scheduled Meeting

- a. Introduction to the Oakwood Zoning Map application.
 - Explanation of the governing regulations for the Zoning Map process – 763.02
- b. Identify concerns to be addressed in future sessions – Traffic, Safety, etc.
 - The application is proposing a lot split by default; Commercial / Residential – how should this be processed. A major or minor subdivision – 762.07 versus 762.08.
 - Other pertinent regulations – 730.01, 731.04, 736.04, 780
 - Identify needed reports – City Planner
